

**GOD**

EYFS (also see Creation)	KS1	Lower KS2	Upper KS2
The word God is a name.	Christians believe in God, and that they find out about God in the Bible.	Christians believe God is Trinity: Father, Son and Holy Spirit (see Incarnation).	Christians believe God is omnipotent, omniscient and eternal, and that this means God is worth worshipping.
Christians believe God is Creator of the universe	Christians believe God is loving, kind, fair and also Lord and King; and there are some stories that show this.	Jesus the Son is seen by Christians as revealing what God the Father is like. They believe he promises to stay with them and Bible stories show how God keeps his promises.	Christians believe God is both holy and loving, and Christians have to balance ideas of God being angered by sin and injustice (see Fall) but also being loving, forgiving, and full of grace.
Christians believe God made our wonderful world and so we should look after it	Christians worship God and try to live in ways that please him.	Christians find that understanding God is challenging; people spend their whole lives learning more and more about God.	Christians believe God loves people so much that Jesus was born, lived, was crucified and rose again to show God's love.
		Christians really want to try to understand God better and so try to describe God using symbols, similes and metaphors, in song, story, poems and art.	Christians do not all agree about what God is like, but try to follow his path, as they see it in the Bible or through Church teaching.
			Christians believe getting to know God is like getting to know a person rather than learning information.
